

FROG PATIO CANDLE HOLDER

Instruction:

1. Sand, seal with Wood Sealer, let dry.
2. Sand lightly again.
3. Basecoat entire frog in Dove Grey, then Yellow Green until color is opaque.
4. Trace pattern onto tracing pattern.
5. Transfer pattern to frog piece.
6. Float shadows using Hauser Medium Green.
7. Basecoat eyes with white, basecoat again with Black leaving small arch of White showing at the top.
8. Highlights on eyes are done using your large liner and thinned White.
9. Nostrils are placed in using the bum end of a small brush and Black.
10. Mouth is lined with your liner and thinned Black.
11. Float shadow underneath mouth and nostrils with Hauser Medium Green.
12. Highlight with a float of Yellow Light (this may take a few coats) on top of eyes, top of mouth, top of knees, on toes and front legs.
13. Using the wet, stipple mop technique and Citron Green, add "bumps" to his body.
14. Erase any graphite lines, sign your name and varnish well. Place a candle and enjoy him on your patio table!

Happy Paintin'
